Keywords

The Project Summary

Project Goals	
<input type="checkbox"/>	Stopping the Need for Imports
<input type="checkbox"/>	Reducing Production Costs and Expenses
<input type="checkbox"/>	Raising Product Quality and Standard
<input type="checkbox"/>	Innovation in Product or Production Methods
<input type="checkbox"/>	New Product Research

Targeted Gains and Results

Target Group
<input type="checkbox"/> Our own company
<input type="checkbox"/> Institution and establishment outside of TEKMER
<input type="checkbox"/> Institution and establishment within TEKMER

Destination Location
<input type="checkbox"/> Out of province
<input type="checkbox"/> Within the province
<input type="checkbox"/> Abroad

Characteristics of the Project
<input type="checkbox"/> Development of exportable products
<input type="checkbox"/> Existing Product Quality Upgrade
<input type="checkbox"/> Existing Product Method / Process Development
<input type="checkbox"/> Technological new product production process on a country basis
<input type="checkbox"/> New Product / Process Development that Increases Efficiency
<input type="checkbox"/> Creating a New Product or Service
<input type="checkbox"/> New technology development
<input type="checkbox"/> Adaptation of new technology to country conditions

R&D Qualification

Innovative Aspect
Project Partnership
<input type="checkbox"/> Project carried out jointly with companies in the same province
<input type="checkbox"/> Project carried out jointly with companies in different provinces
<input type="checkbox"/> Project carried out jointly with public institutions
<input type="checkbox"/> Project carried out jointly with Technopark companies
<input type="checkbox"/> Project carried out jointly with TTO
<input type="checkbox"/> Project carried out jointly with the university
consultancy <input type="checkbox"/>
Laboratory service procurement <input type="checkbox"/>
<input type="checkbox"/> Project carried out jointly with companies abroad
Services Requested from LINEUROPE in the Project Campus
Consultancy Services
<input type="checkbox"/> MENTOR
<input type="checkbox"/> MARKETING
<input type="checkbox"/> PATENT
<input type="checkbox"/> COPYRIGHT
<input type="checkbox"/> TECHNOLOGY TRANSFER
<input type="checkbox"/> COMPANY ESTABLISHMENT PROCEDURES
<input type="checkbox"/> ACCOUNTING

<input type="checkbox"/>	FINANCE
<input type="checkbox"/>	PREPARATION OF R&D PROJECT OFFER FILE
<input type="checkbox"/>	EXEMPTION APPLICATIONS
<input type="checkbox"/>	TRADEMARK
<input type="checkbox"/>	EXPORT
<b>Technical Services</b>	
<input type="checkbox"/>	FRONT INCUBATION
<input type="checkbox"/>	INCUBATION
<input type="checkbox"/>	EDUCATION
<input type="checkbox"/>	INTERNET SERVICES
<b>Technology Support</b>	
<input type="checkbox"/>	HIGH TECHNOLOGY LABORATORY
<input type="checkbox"/>	PURCHASING TEST CONTROLLER AND EQUIPMENT

Support and Incentives Received for the Project			
Supporting Institution Name	Support Name	Support Program Confirmation Code	Support Amount
Financing Resources			
<input type="checkbox"/>	Bank loan		
<input type="checkbox"/>	Public Aids		
<input type="checkbox"/>	Equity Capital		
<input type="checkbox"/>	Venture Capital		
<input type="checkbox"/>	Managing Company		
Investor Supports			
<input type="checkbox"/>	Partnership		
<input type="checkbox"/>	Venture Capital		
Project R&D Stages			
<input type="checkbox"/>	Software development with an element of innovation		
<input type="checkbox"/>	Laboratory Studies etc. Involved in the Transition Process from the Developed Concept to the Design		
<input type="checkbox"/>	Concept Development		
<input type="checkbox"/>	Patent and License Studies		

<input type="checkbox"/>	Prototype Production
<input type="checkbox"/>	Design and Drawing Studies
<input type="checkbox"/>	Technological/Technical and Economic Feasibility Study
<input type="checkbox"/>	Industrial engineering directly related to the development of prototypes for new or improved products or processes

Project team			
Personnel Type	Task Name	Operation Type	Employee

Project budget			
Expenditure Category	Spending Item	Expenditure Name	Amount

Project Detail
